Public Comment: Tim and Collette Steward showed concern with the vacant property next to them. They have seen numerous dead rodents in their yard and in the yard next to them. They are concerned with the tall grass, overgrown weeds and the strong odor coming from the house. President Gray stated an unsightly property letter has been mailed to the resident and he will follow up with Chief Robertson. The resident will be issued a fine if the property is not taken care of.

Andy Logsdon from Bruner, Cooper and Zuck stated the water tower painting project is coming along very nicely. He said L & T painting is working long hours and at a very good pace to get the water tower finished. President Gray reported that because of efficient and effective use of funds there are enough funds left over from the grant to also paint the outside of the water tower which will hopefully be completed within the next few weeks. Andy also presented the bid for the installation for the new generator from Oberlander for a total of \$36,109.00 that includes: installation, security fence and gravel. Motion to accept the bid for installation of new generator by Trustee C. Wight and seconded by Trustee Self. Roll Call. - Tucker-yes; Folger-yes; C Wight-yes; Courson-yes; Self-yes.

Correspondence: Chuck Weaver who introduced himself to President Gray and toured Williamsfield last month was appointed as Illinois Senator.

Maintenance Report: Trustee Folger stated that the culvert by Stephanie Landon's is now fixed and they ran into a few small problems in the process. Mediacom had drilled a cable through the culvert. The Village of Williamsfield will be reimbursed by Mediacom for the damage caused. Neil Little did a good job patching the roof on the water shed. Joyce was concerned with a culvert by her driveway that has a small tree growing right next to it; Trustee Folger will have Neil and Rick check on that.

Police Report: The following calls for service were handled by the Williamsfield Department:

Park Report: Christmas decorations are being tested to make sure all lights work. Chuck Ingle was contacted to get an estimate to install wiring for more outlets and they are waiting to hear back from him.

Water Report: Tom Rice stated that the computer at the R/O Plant is not backed up and he is working on getting that backed up. Because of the repairs to the water tower, Tom Rice has been busy going to the R/O Plant every day to manually open and close the valves to insure the Village has water.

Old Business: T-Mart's gas tanks are now removed and the property will be for sale in the future. James Robertson is following up with unsightly properties. The installation of the new furnace and A/C at Caldwell Cottage has begun. Caldwell Cottage will be open to the public on Homecoming day, October 17th.

New Business: The Homecoming parade route has changed; the new route will go by the new library. Halloween trick or treating hours will be from 4 pm – 8 pm on Saturday, October 31st. Motion is approve new hours of trick or treating by Trustee C. Wight seconded by Trustee Folger Roll Call. - Tucker-yes; Folger-yes; C Wight-yes; Courson-yes; Self-yes.
